

QUALITY DRIVING SCHOOL: BTW LESSON CHECKLIST

Student Name: _____

Permit #: _____ **Emergency #** _____

Evaluation of skills will be on the following scale 4: Excellent, which means the student performed the skill in such a way as it can be repeated over and over again at a level that is equal to the average adult driver. 3: Satisfactory, which means the student performed the skill in such a way as it can be repeated over and over again at the level which will be required to pass the state driving test. 2: Fair, which means the student performed the skill, but did not do it correctly at all times. 1: Poor, which means the student performed the skill, but did not do it correctly at all. Students must obtain a score of 3 or higher for a passing grade. Skills may not be taught in order by an individual instructor. All skills will be taught by the end of the course if the student practices the skills in advance.
